

Participation Agreement and Acknowledgement of Risk

I, Please print legibly _____, fully understand that participation in any activity that involves motion—including gymnastics, dance, tumbling, and related activities—even under the best of conditions, carries with it a reasonable assumption of risk. I recognize and understand that potentially severe injuries can occur during my involvement with these activities. I understand that it is the express intent of Dancer Guy, LLC (hereinafter called the Company) and its instructors to provide for my safety and protection. In consideration for allowing me to use the facilities, equipment, and programs, and participate in activities instructed/sponsored by the Company, I hereby agree that I forever discharge and agree to indemnify and hold harmless the Company (David Arns, and any other officers, employees, instructors, or representatives of the Company) from any and all claims, demands, or causes of action that are in any way connected with my participation in activities or programs sponsored by the Company.

Should it be necessary for the Company, or someone on the Company's behalf to incur attorney's fees and costs regarding my participation in this activity, I agree to pay the Company reasonable costs and attorney's fees if the Company is not held liable for my injuries or damages. I certify that I have adequate insurance to cover any injury or damage I may cause or suffer while participating, or else I agree to bear the costs of such injury or damage myself.

This Acknowledgement of Risk and Liability, having been read thoroughly and understood completely, is signed voluntarily as to its content and intent.
